Updates

Legislative Update - Bob stated budget is unsure until budget comes out. Skagit has been a leader in promotion of RTL.

Pro-Social Opportunities and Rewards – Lyndie stated this group continues to collect data on youth surveys. Looking to get all data by April 1st. She will report on this data @ next SCCFC meeting. Lyndie will send link to survey for anyone who can distribute to youth. Next meeting is 4-10-09 @ 10:15 @ United.

Mental Health – Jonna stated they need to convene standing time for this group to meet. They have identified numerous gaps in services within our systems. They are working on identifying ways to meet community needs.

Connecting Schools and Communities– There is an expansion at WorkSource for parent computer education with school progress system.

Gang Crime Prevention Update – Bob stated they are working on developing agreements among Skagit County communities and school on funding to coordinate services, programs, and custom services.

SS/HS Oversight – Linda handed out handouts regarding SS/HS and stated this report is available for use. 4th year is focusing on sustainability during this, “poor economic time” plus continuing and sustaining work of the past three years.

Business

1. Treasurer Report – Janice presented the treasurers report and stated it was available for anyone who wanted a copy. Most of SCCFC funds are used for Coordinator’s time. We are unsure of we will be getting any funds from FPC after June 30, 2009 and the question was raised as to what SCCFC will do with out a coordinator. Bob is pursuing other dollars which are also uncertain.
 2. Executive Board – there is no update on the 501c3 status.
- Lyndie reminded members to use consortium name and logo to spread the word about our work related to the consortium.
 - Jonna requested a member list for networking.

Adjourn @ 10:25 a.m.

Our next meeting is April 15, 2009 at the Family Resource Room from 9:15 to 10:30am.
